1. i n t r o d u c t i o n

This book is a recreation of The Life and Morals of Jesus of Nazareth Extracted Textually from the Gospels in Greek, Latin, French & English by Thomas Jefferson using the World English Bible as a modern English translation.

Some edits are made for ease of reading. A printable booklet and the script used for creating it are included. Print the booklet using a duplex (two-sided) printer and bind it using a saddle stitch stapler.
